

We have plans to expand and open more stores and in our strategic plans for the future both SAP Business One and Consensus play a key role.

Raul Fadel,
Director, Iberia Tiles.

Managing Complexities of Natural Stone Multi-batches with SAP Business One ®

Iberia Tiles
Porcelain Stone Mosaics Slabs

Over the past 40 years, **Iberia Tiles** has provided the South Florida residential/commercial market with design options for the finest surfaces. We have built a reputation for having the highest quality finishes with endless design options relating to porcelain, stone, mosaics, and slabs. The company holds exclusive distribution rights for some of the most outstanding Italian and Spanish porcelain collections.

Before: Challenges and Opportunities

1

Sister company in Venezuela, Keops, already successful in implementing SAP Business One.

2

QuickBooks was unable to handle the needs of inventory management.

3

Complexities of natural stone multi-batches with varying specifications required a software that was able to manage this.

Why SAP and Consensus

Consensus provides ongoing support and rapid response times.

Consensus facilitates customized developments geared at navigating a changing market.

Consensus reputed for its reliability.

SAP Business One adapted to the company's needs, including all necessary features for inventory oversight.

After: Value-Driven Results

1

Optimized oversight and operations management.

2

Reliable, robust, and real-time data on goods receipt, warehouse operations and shipping.

3

Automated reports.

After: Value-Driven Results

4

Streamlined operations with less staff required.

5

Ability to work from any device at any time, 24/7

6

Management of complexities of natural stone multi-batches with varying specifications.

**40 Years of service
in South Florida**

**80,000
Sq. Ft of
total space**

**1 MM+
Sq. Ft on
Stock**
